INDEX TO VOLUME XXXIII

PAGE

ABANO TERME, German Hospital Centre at - 235
— Abdominal injuries due to V-1 and V-2 bombs 230
— skin-flap in repair of dorsal injuries of hand - 67
— surgery at German Hospital Centre, Abano Terme - - - - - 238
— wall, discoloration of, in acute pancreatitis, case report - - - - - 182
— — wounds of, in the field - - - 49
— wounds in 21 Army Group (June, 1944–May, 1945), a survey of - - - - 267
— — in the field - - - - - 46
— — — complications - - - - 50
— — — diagnosis - - - - 47
— — — mortality - - - - 52
— — — operative treatment - - - 48
— — — pre-operative treatment - - - 46
— — — post-operative treatment - - 50
— — — varieties - - - - - 48
— — German surgical routine - - - 242
Abdomino-thoracic wounds in 21 Army Group - 273
Aberdeen during Cumberland's occupation, 1745 - 10
Abscess(es), collar-stud, in neck, with skin involvement - - - - - - 53
— ischiorectal, fulminating gas gangrene following, case report - - - - - - 292
— of lung in thoraco-abdominal wounds of war - 153
— subphrenic, in thoraco-abdominal wounds in war 153
Acetylcholine, myasthenia gravis and - - 204
Acidity, gastric, physiology of - - - 150
Ack-ack fire, abdominal injuries due to - - 232
Acrylic resin for closure of skull defects - - 106
— — composition and properties - - - 106
— — discs, implantation into rabbits' skulls - 83
Addisonian anæmia following entero-anastomosis - 71
Adenoma of head of pancreas, encysted, case report 93
Adrenaline and insulin in aseptic prostatectomy 43, 45
Age in causation of pharyngeal diverticula - - 102
— incidence of abdominal injuries due to 'flying bombs' - - - - - - 231
— in relation to mortality in bleeding peptic ulcer - 338
— — torsion of great omentum - - - 143
— — transthoracic œsophagectomy - - 163
Aircrew recruits, incidence of sternomastoid and ocular torticollis in - - - - 285
AIRD, IAN: Hæmatemesis from erosion of the splenic artery by peptic ulceration - - 385
ALDIS, A. S.: Injuries to the pancreas and their surgical treatment - - - - 323
Algid state in immersion foot - - - 19
Alimentary tract, flat epithelial layer of, micro-incineration study of - - - - 346
Amputations at German Hospital Centre, Abano Terme - - - - - 237
— in German military surgery - - - 243
— hindquarter, for chondromyxosarcoma of right thigh - - - - - 277
— operative technique - - - - 35
— post-operative management - - - 37
— re-amputation - - - - - 40
— stump, affections of - - - - 38
— — first-aid - - - - 33, 36
— — guillotine - - - - 33, 36, 37
— — the ideal - - - - - 31
— — major, in health and disease - - 31
Anæmia, Addisonian, following entero-anastomosis 71
Anæsthesia at German Hospital Centre, Abano Terme - - - - - 240
— in ligation of ethmoidal artery - - - 391
Anæsthesia in pericardiectomy - - - 223
— repair of abdominal wounds in the field - - 48
— for skin-grafting in burns - - - 316
— in surgery of severe burns of hands - - 156
— thymectomy - - - - - 207
— transthoracic œsophagectomy and gastrectomy - 164
Aneurysm, axillary, rupture through quadrilateral space, case report - - - - 290
— carotid, associated with massive infarction of the brain, case report - - - - 400
— iliac, in a child, case report - - - 194
— traumatic, surgical treatment of - - 113
Anhidrosis in immersion foot syndrome - - 19
Appendix, micro-incineration study of flat epithelial layer - - - - - 349
Arm, artificial, physiology of wearing - - 35
Armamentarium of surgeon in the Jacobite Rising, 1745 - - - - - 13
Army Group 21, survey of abdominal wounds in (June, 1944–May, 1945) - - - 267
Arteries (*see also specific arteries*)
— of stomach, ligation of, to reduce hyperacidity 146
Artificial limbs, physiology of limb-wearing - 33
Aschheim-Zondek reaction in teratoma of testis - 173
Ascites in constrictive pericarditis - - - 216
Asepsis in prostatectomy - - - - 41
Asthenia, pancreatic - - - - - 327
Asthma, thymic - - - - - 202
Asphyxia, prevention of, German routine at First Medical Aid Post - - - - - 241
Atelectasis in thoraco-abdominal wounds of war - 153
Atresia of common bile-duct, congenital - - 378
Auscultation in diagnosis of abdominal wounds in the field - - - - - 47
Axillary aneurysm, rupture through quadrilateral space, case report - - - - 290
— artery, traumatic aneurysm of - - 114, 117

BACSICH, P.: *See* BARNES, R., jt. auth.
BAILEY, HAMILTON: The treatment of cervical collar-stud abscesses with skin involvement - 53
BAKER, S. L.: Pathological report on enormous epithelioma adenoides cysticum of scalp - 188
Bandaging of amputation stump - - - 37
Bannockburn House, Prince Charles Edward at, 1746 13
BARLING, SEYMOUR: Lawson Tait - - 80
BARNES, R., BACSICH, P., and WYBURN, G. M.: A histological study of a predegenerated nerve autograph - - - - 130
Barrow, surgeon in Hanoverian army, 1745 - - 7
Bayonet wound of transverse colon, case report - 397
BEALES, P. H., and FRANKEL, E.: Double intussusception following multiple polyposis of the small intestine, case report - - - 94
BEAVAN, T. E. D., and DUNCAN, GORDON W.: Congenital atresia of the common bile-duct - 378
BECK, DIANA J. K., RUSSELL, DOROTHY S., SMALL, J. M., and GRAHAM, M.P.: Implantation of acrylic-resin discs in rabbits' skulls - - 83
Bile-duct, common, congenital atresia of - - 378
— — reconstruction of, case report - - 90
BINGHAM, D. L. C.: *See* MACKEY, W. A., jt. auth.
Biopsies in study of œstrogen therapy in carcinoma of prostate - - - - - 122
BLACKBURN, GUY, and D'ABREU, A. L.: Thoraco-abdominal wounds in war - - - 152
— — and ROB, CHARLES G.: The abdominal wound in the field - - - 46

PAGE

Bladder, slow decompression of in prostatectomy, danger of - - - - - 41
BLAINE, GEORGE: Experimental observations on the use of absorbable and non-absorbable plastics in bone surgery - - - 245
Blair, Patrick, Hanoverian surgeon in 1745 - - 7
Blast injuries of abdomen due to 'flying-bomb' - 231
Bleeding peptic ulcer, present position of surgery in 336
Blood transfusion in abdominal wounds in the field 46, 50, 51
— — bleeding peptic ulcer - - 337, 339
— — at German Hospital Centre, Abano Terme, after British occupation - - - 238
Blood-supply of nasal mucous membrane - - 387
— spleen - - - - - - 385
— stomach - - - - - 147
Blood-vessels (*see also* Vascular)
— wounds of, German surgical routine - - 243
Body surface affected by burns in relation to mortality - - - - 321, 322
Bombs, V-1 and V-2, abdominal injuries due to - 230
Bone surgery, plastics in, experimental observations on - - - - - - 245
Bone-grafting in complex injuries of dorsum of hand 69, 70
BONNIN, J. G.: Osteochondritis dissecans and torn lateral meniscus - - - - 380
Brain, massive infarction of, carotid aneurysm associated with, case report - - - 400
— penetrating S.W. in, German routine treatment - 241
Branchiogenic carcinoma - - - - 254
Breast, male, a case of multiple duct papilloma - 397
BROWN, J. J. MASON, FENELEY, G. L., and WELPLY, N. C.: Rupture of an axillary aneurysm through the quadrilateral space, case report - 290
Brown, R., surgeon in Hanoverian army, 1745 - 7
Bunyan-Stannard envelope in after-treatment of guillotine stump - - - - 37
Burns, diagnosis of depth of skin loss - - 314
— electric, a case with unusual complications - 365
— evacuation of cases in C.M.F. - - - 313
— of hands, principles of early reconstructive surgery in severe cases - - - - 155
— management and resurfacing in serious cases - 311
— methyl bromide, case report - - - 9
— significance of depth of skin loss - - 313
— of war, first treatment of, German routine - 241
Bursitis in amputation stumps - - - 40

CÆCUM, volvulus of, case report - - 295
CALVERT, C. A.: *See* WEDDELL, G., jt. auth.
Cameron, Archibald, a Jacobite surgeon in 1745 - 4
Cancer (*see* Carcinoma)
Cantley, Alexander, in Hanoverian army, 1745 - 7
Capsulotomy in late treatment of dorsal injuries of hand with skin loss - - 67 et seq.
Carcinoma, branchiogenic - - - - 254
— of colon in a child, case report - - - 398
— — simultaneously with tuberculosis - - 372
— developing in pharyngeal diverticulum - - 103
— of descending colon, annular, with polypus, intussusception of sigmoid due to, case report 182
— jejunum, case report - - - - 186
— œsophagus, diagnosis from pharyngeal diverticula 102
— prostate - - - - - 44
— — œstrogen therapy in - - - 122
— testicle, hormonal bioassay in - - - 173
— — large, case report - - - - 197
Carotid aneurysm associated with massive infarction of the brain, case report - - - 400
— artery, left common, traumatic aneurysm of - 115
— — ligation of, in epistaxis - - 385 et seq.
Casein plastic in bone surgery, experimental observations on - - - - - - 245
Castle's hæmopoietic principle in Addisonian anæmia - - - - - 71

PAGE

Castration with prostatectomy for cancer - - 44
Cat, plastic bone-grafts in, experimental observations - - - - - 246
Cervical chordotomy for painful phantom limb - 301
— collar-stud abscesses with skin involvement - 53
— region, Langer's lines in - - - 56
— tumours, interesting examples - - - 250
CHANNELL, G. D.: *See* UNGLEY, C. C., jt. auth.
Cheek, fibrolipoma of, case report - - - 198
Chest, gunshot wound of, obstructive diaphragmatic hernia resulting from - - - 135
— penetrating wounds of - - - - 257
— surgery at German Hospital Centre, Abano Terme - - - - - 238
— wounds, German surgical routine - - 242
Cholecystgastrostomy for congenital atresia of common bile-duct - - - - 378
Chondromyxosarcoma of right thigh, hindquarter amputation for - - - - 277
Chondrosarcoma of metatarsal bones, case report - 191
C-hook artificial upper limb - - - 35
Chordoma, cervical - - - - 254
Chordotomy, cervical, for painful phantom limb - 301
Chylothorax following traumatic pseudocyst of pancreas, case report - - - - 297
CLARKSON, PATRICK, and LAWRIE, REX S.: The management and surgical resurfacing of serious burns - - - - - 311
CLEGG, H. W.: *See* PATTERSON, jt. auth.
Clerk, James, physician in Hanoverian army in 1745 7
Clostridial infections in casualties from invasion of Europe, prophylaxis and treatment - - 74
Cold, effect on body tissues - - - 25
Collapse of lung in transthoracic œsophagectomy - 166
Collar-stud abscesses in neck with skin involvement 53
Collinson, Harold: In memoriam - - - 87
Colloid change in thyroid gland, surgery of nodular goitres and - - - - - - 62
Colon, carcinoma of, in a child, case report - - 398
— descending, annular carcinoma of, with polypus, intussusception of sigmoid due to, case report 182
— micro-incineration study of flat epithelial layer - 351
— simultaneous carcinoma and tuberculosis of - 372
— transverse, bayonet wound of, case report - 397
— wounds of, in the field - - - 48, 52
Congalton, John, Jacobite surgeon in 1745 - - 5
Congenital atresia of common bile-duct - - 378
Constrictive pericarditis - - - - 215
Cooling in treatment of immersion foot - 28, 29
Cope, Sir John, 1744 - - - - 7
CORNELL, CARLETON: *See* SMITH, BYRON, jt. auth.
Cowell, surgeon in Hanoverian army, 1745 - - 7
Cox, H. T.: Discoloration of the abdominal wall in acute pancreatitis, case report - - 182
Cranial surgery at German Hospital Centre, Abano Terme - - - - - 238
Crohn's disease, relation to chronic hypertrophic ileocæcal tuberculosis - - - 178
Cubital fossa, skin-grafting in burns of - - 317
CULINER, A.: *See* LANNON, J., jt. auth.
Culloden Moor, nature of injuries among Jacobite wounded - - - - - 11
Cunningham, Alexander, Hanoverian surgeon in 1745 6
CUTHBERT, J. B.: The late treatment of dorsal injuries of the hand associated with loss of skin 66
Cyclopropane anæsthesia for skin-grafting in burns 316
Cysts of pancreas - - - - - 324

D'ABREU, A. L.: *See* BLACKBURN, GUY, jt. auth.
Death due to pancreatic fistula, examination of causes of - - - - - 327
Decortication in clotted hæmothorax and in empyema after chest wounds - - 260, 261
Delbet's sign - - - - - 114
Dermal burns (D. B.) - - - - 314

PAGE

Diaphragm, bilateral penetrating wounds of, bilateral pneumothorax with, case report - - 394
Diaphragmatic hernia from old gunshot wounds of chest - - - - - 135
Diathermy to control hæmorrhage in prostatectomy 42
Diet in burns cases - - - - - - 313
— pancreatic fistula - - - - - 329
— post-operative, in abdominal wounds in the field 50
Digestion, pancreatic secretion and - - 328
Dimsdale, Thomas, surgeon in Hanoverian army, 1745 - - - - - - 7
Diverticulum, Meckel's, hernia of ileum through transverse mesocolon simulating - - 187
— pharyngeal - - - - - - 101
Dorsal injuries of hand with skin loss, late treatment 66
Douglas, Robert, surgeon in Hanoverian army, 1745 7
Dover, shelling of, abdominal injuries in - - 234
Drummond, Francis, Hanoverian surgeon in 1745 7
Duct papilloma, multiple, of male breast, case report 397
Dumb-bell collar-stud abscess - - - 56
DUNCAN GORDON W.: *See* BEAVAN, T. E. D., jt. auth.
Duodenal ulcer, malnutrition and - - - 74
— — penetrating, bleeding, Judin's technique - 340
Duodenum, intussusception into œsophagus, case report - - - - - - 392
DURAN-JORDA, FREDERIC: A micro-incineration study of the flat epithelial layer covering the alimentary tract - - - - - 346
Dysphagia due to pharyngeal diverticula - - 102

EARS, wounds of, German surgical routine - 242
Ectopic pelvic kidney - - - 139
EDWARDS, J. L.: *See* HOLMES, J. MACDONALD, jt. auth.
— — *See* SWORN, B. R., jt. auth.
Electric burns, a case with unusual complications - 365
Electrocardiography in constructive pericarditis - 219
Empyema after transthoracic œsophagectomy - 166
— in penetrating chest wounds - - - 260
— thoraco-abdominal wounds of war - - 153
Endo-aneurysmorrhaphy - - - - 113
Entero-anastomosis, Addisonian anæmia following - 71
Envelope treatment of guillotine stump - - 37
Enzymatic activity of pancreatic secretion - - 328
Ephedrine in reduction of pancreatic secretion - 329
Epidermal burns - - - - - 314
Epididymis, solid tumours of - - - 375
Epistaxis, severe, ethmoidal arteries in relation to surgical treatment of - - - 387
Epithelial layer, flat, of alimentary tract, micro-incineration study of - - - 346
Epithelioma adenoides cysticum of scalp, case report 188
Erysipelas, Fournier's gangrene and - - 276
ETHERINGTON-WILSON, W.: Torsion of the great omentum - - - - - 142
Ethmoidal arteries in relation to surgical treatment of severe epistaxis - - - - 387
Exercises after amputation - - - - 37
Experimental Surgery :—
Implantation of acrylic-resin discs in rabbits' skulls - - - - - 83
Extensor tendons, destruction of, in dorsal injuries of hand with skin loss - - - 67
Eyelids, skin-grafting in burns of - - - 316
Eyes, wounds of, German surgical routine - - 242

FACE, wounds of, German surgical routine - 242
FALCONER, MURRAY A., and LINDSAY, JOHN S. B.: Painful phantom limb treated by high cervical chordotomy
Falkirk, battle of, wounded at - - - 9
Fatigue fracture, case report - - - 90
Femoral artery, traumatic aneurysm of 118, 119, 121
FENELEY, G. L.: *See* BROWN, J. J. MASON, jt. auth.
